The right machine, for you

 **Sealed Air**

Our Products Protect Your Products®

Introducing the Sealed Air SeleCTech™ range of Shrink Packaging Equipment.

You can choose from a basic single operation-type machine right up to a fully automated system.

Whatever your business needs may be, we'll have your products wrapped in no time.

Features of the One Step include:

- Adjustable heat setting
- Adjustable table height
- Dual settings - Seal only or Seal & Shrink
- Variable roll widths
- In-built Perforator pins
- Compatible with Cryovac® Polyolefin Shrink films
- Up to 5 packs per minute
